A group of people, including children and adults, are walking along a wooden boardwalk that stretches across a coastal wetland. The boardwalk is made of wooden planks and is supported by wooden posts. The surrounding area is filled with tall, dry grasses and some low-lying vegetation. In the background, there are some buildings and a clear blue sky. The people are dressed in casual outdoor clothing, and some are carrying backpacks. The overall scene suggests a family-friendly outdoor activity in a natural setting.
